

Özgür Deniz URAL

Junior Software Developer / Student

ozgurdenizural.com | linkedin.com/in/ozgurdenizural | +905422316511 | ozgurdenizural035@gmail.com
Balçova, İzmir, 35330

Deeply involved with computers since childhood, actively developing software for over 6 years. In early 2024, a global script market for "FiveM" was launched, demonstrating entrepreneurial spirit and technical skills. This, plus managing various gaming communities over the years, has improved communication, interpersonal, and project management abilities. Skilled in multiple programming languages and possesses strong knowledge of database management. Thrives in team environments, readily contributing innovative ideas.
